Hello Melinda & Misty,

I wanted to let you know that the Bridge is looking at returning and filming at 5601 North Figueroa on Saturday. Postings have gone up in the area and James from the Greyhound has reached out to us. We are advising that the location manager reach out to him and work out any concerns. Please feel free to let us if there are any other businesses in particular that we should advise the production team to reach out to.

Also, we are awaiting an email list so we can create a private email notification list. Once we have that, we can begin notifying folks electronically in addition to hard copies.

Thanks again and looking forward to hearing from you,

Arturo Piña
